Policy conditions *continued*

information that could affect this insurance. If **we** accept any variation to **your policy**, an increase in the premium of different terms or conditions of cover may be required by **us**.

Claims notification condition

You must

- 1 as soon as practical
 - a give **us** notice of any circumstances which might reasonably be expected to lead to a claim under this **policy**
 - b give **us** all the information **we** request
- 2 immediately

Policy conditions *continued*

- 1 if the failure to make a fair presentation of the risk is deliberate or reckless **we** can elect to make **your policy** void and keep the premium. This means treating the **policy** as if it had not existed and that **we** will not return **your** premium, or
- 2 if the failure to make a fair presentation of the risk is not deliberate or reckless and **we** would not have provided cover had **you** made a fair presentation, then **we** can elect to make **your policy** void and return **your** premium, or
- 3 if the failure to make a fair presentation of the risk is not deliberate or reckless and **we** would have issued cover on different terms had **you** made a fair presentation of the risk then **we** can:
 - a reduce proportionately any amount paid or payable in respect of a claim under **your policy** by using the following formula. **We** will divide the premium actually charged by the premium which **we** would have charged had **you** made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - b treat **your policy** as if it had included such different terms (other than payment of the premium) as **we** would have imposed had **you** made a fair presentation.
- 4 Where **we** elect to apply one of the above then
 - a if **we** elect to make **your policy** void, this will be from the start of the **policy**, or the date of variation or from the date of renewal
 - b **we** will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the **policy**, or the date of variation or from the date of renewal
 - c **we** will treat the **policy** as having different terms imposed from the start of the **policy**, or the date of variation or from the date of renewaldepending on when the failure to make a fair presentation occurs.

Fraud condition

You and anyone acting for **you** must not act in a fraudulent way.

If **you** or anyone acting for **you**:

- 1 knowingly makes a fraudulent or exaggerated claim under **your policy**;
- 2 knowingly makes a false statement in support of a claim (whether or not the claim itself is genuine); or
- 3 knowingly submit a false or forged document in support of a claim (whether or not the claim itself is genuine),

we will

- a refuse to pay the claim;
- b declare the **policy** void from the date of the fraudulent act without any refund of premiums.

We may also inform the police of the circumstances.

Instalments condition

If **you** fail to pay a premium instalment to **us** on the date due **we** may charge an administration fee for instalments rejected by **your** bank. **We** have the right to cancel **your policy** for non-payment and apply a short premium payment surcharge of £50.

If a claim has been made or there has been any incident likely to lead to a claim during the current **period of insurance** the annual premium remains due in full. If no claim has been made and insufficient payments have been made to cover the period for which insurance has been provided, payment for the unpaid portion of premium will remain due.

You and **we** can choose the law which applies to this **policy**. **We** propose that the Law of England and Wales apply. Unless **we** and **you** agree otherwise, the Law of England and Wales will apply to this **policy**.

- 1 is as declared by **you** and shown in **your** schedule
- 2 will not exceed a maximum of eight persons.

You must tell **us** as soon as possible if the total number of persons shown in **your** schedule increases and **you** must pay an extra premium based on **our** normal rates applicable at that time.

If a claim is notified and **you** have not told **us** of an increase in the total number of persons then as long as:

- a the total number of directors, partners or **employed persons** does not exceed eight persons
- b **you** have complied with the change in risk condition
- c **you** pay an extra premium, equal to the premium that would have been charged based on the increased number of persons

We will not refuse to deal with **your** claim or reduce the amount of any claim payment.

We will not pay **your** claim where the maximum number of eight persons is exceeded.

Other insurance condition

If a claim is made under this **policy** and there is other insurance cover for which **you** are, or would be but for this **policy**, entitled to have a claim paid under the other insurance, **we** will at **our** option, either pay

- 1 a proportionate share of the claim
- or
- 2 an amount beyond that which is or would be payable under the other policy.

Reasonable care condition

You must take reasonable steps to

- 1 prevent or protect against injury, loss or damage
- 2 keep anything insured in good condition and in full working order
- 3 remedy any defect or any danger that becomes apparent, as soon as possible.

If required by **us**, **you** must allow access to **your** premises and/or activities of **your business** to carry out inspection or survey. **You** must comply with any risk improvements that **we** ask for, within a reasonable period of time, advised by **us**.

We will not pay **your** claim where **you** have not complied with this condition.

Sanctions condition

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of **your policy** that **we** will not provide cover, or pay any claim or provide any benefit under **your policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose **us**, or **our** parent, subsidiary or any AXA group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.

Subrogation (our rights) condition

We will be entitled to undertake in **your** name or on **your** behalf

- 1 the defence or settlement of any claim
- 2 steps to enforce rights against any other party before or after payment is made by **us**.

Section conditions

These conditions of cover apply only to this section. If **you** do not comply with a condition **you** may lose all right to cover under **your policy** or to receive payment for a **claim**.

If **you** are unsure about any of these conditions or whether **you** need to notify **us** about any matter, please contact **us**.

Arbitration condition

Any dispute between **us** and the **insured persons** may be referred to a single arbitrator who shall be either a solicitor or barrister agreed upon by both parties, or failing agreement one who is nominated by the President of the appropriate Law Society or by the Bar Council or appropriate professional body within England and Wales. The apportionment of the costs of arbitration will be determined by the arbitrator.

Data protection condition

You agree that any information provided to **us** regarding the **insured persons**, will be processed by **us** or the **administrator** in compliance with the provisions of **data protection legislation** for the purposes of providing insurance and handling **claim(s)**, if any, which may necessitate providing such information to third parties.

Reasonable precautions condition

The **insured persons** must take all reasonable precautions to avoid and prevent **claim(s)**, **HMRC investigations**, **legal proceedings** and disputes. The **insured persons** must make every effort and take all reasonable measures to minimise the cost and effect of any **claim**.

If **you** do not comply with this condition **you** may not receive payment in respect of a **claim**.

Undisputed debts condition

An undisputed debt must be referred to the **debt collection service** within 30 days after the date the invoice was due for payment. The **debt collection service** is provided by a debt collection organisation which is not part of the **administrator**, but it can be accessed by telephoning the AXA legal advice line and asking to be transferred.

The use of the **debt collection service** is at **your** own cost. The fee charged by the **debt collection service** is a percentage of the amount of the debt recovered from the debtor. This **policy** does not cover this fee.

If the **debt collection service** recommends **legal proceedings** against the debtor to recover the debt, **you** must immediately submit a **claim** under the Contract disputes cover. **You** should contact the **administrator's** claims department for a claim form.

If at any time an undisputed debt referred to the **debt collection service** becomes disputed, **you** must contact the **administrator's** claims department.

Your insolvency and liquidation condition

If **you** become insolvent or are placed in liquidation, receivership, administration, bankruptcy or enter into a voluntary arrangement or deed of arrangement, or if any application is made to the court or meeting convened for the purpose, **we** have the right to immediately cease to provide indemnity for **legal expenses**, **professional expenses** and **awards of compensation** even if the **administrator** may have previously granted consent.

Claims conditions

Administrator's consent condition

You must obtain the **administrator's** consent in writing to incur **legal expenses** or **professional expenses**. This consent will be given by the **administrator** on **our** behalf, if the **insured persons** can satisfy the **administrator** that

- 1 it is reasonable to incur **legal expenses** or **professional expenses** having regard to the proportionality between the remedy claimed and the **legal expenses** or **professional expenses** to be incurred and
- 2
 - a where the **insured persons** are pursuing, there are reasonable prospects of proving the other party's legal liability and of recovering the damages claimed or other legal remedy sought, or
 - b where the **insured persons** are defending there are reasonable prospects of defending the **claim**, or

Legal expenses section *continued*

- c for a criminal prosecution and where the **insured persons** plead guilty, there is a reasonable prospect of a significant mitigation of the **insured persons'** sentence or fine.

If during the course of a **claim** the **insured persons** cease to satisfy the **administrator** in respect of **1** or **2** above, indemnity will be withdrawn in respect of **legal expenses** and **professional expenses** and **awards of compensation**. The decision to grant consent or to withhold it will be taken on receipt of

- 1** a fully completed claim form
- 2** the information and documentation the **administrator** reasonably requests
- 3** a legal opinion from the **appointed representative** as to **1** and **2** above
- 4** any advice the **administrator** deems necessary to take.

With the **insured persons'** agreement, the **administrator** may provide assistance in settling disputes. These costs will be covered under this section subject to payment of the **excess** within the limits of **our** liability.

At its discretion, the **administrator** may require the **insured persons** to obtain an opinion from Counsel at the **insured persons'** expense, as to the merits of the **claim(s)**. This opinion will cover the same issues that the **administrator** has in assessing the merits of any legal action.

If based upon such opinion the **administrator** is satisfied in respect of **1** and **2** above, the **legal expenses** and **professional expenses** in obtaining that opinion, will be paid by **us** within the limits of **our** liability.

In granting **our** consent, **we** agree to provide the **insured persons** indemnity subject to the terms and conditions of this section, but the consent does not imply that all **legal expenses** or **professional expenses** or **awards of compensation** will be paid. In particular **legal expenses** or **professional expenses** beyond the immediate scope of the **claim** will be deemed by us to fall outside the indemnity provided by this section.

The **administrator** reserves the right to limit its consent by time or financial amount of **legal expenses** or **professional expenses** and/or stage of **legal proceedings**, to allow for a review of their continued consent.

If after consent has been granted it is shown that the **claim** has not been brought within the terms and conditions of this section, **we** have the right to immediately cease to provide indemnity for **legal expenses**, **professional expenses** and **awards of compensation** even if the **administrator** may have previously granted consent. **We** will be entitled to recover any **legal expenses**, **professional expenses** and **awards of compensation** previously paid.

If the **insured persons** elect to proceed with the pursuit or defence of a dispute or **legal proceedings** where the **administrator's** consent has been refused through lack of reasonable

Legal expenses section *continued*

prospects, as required in **2a** and **b** above, and the **insured persons** are successful in the pursuit or defence, **we** will pay **legal expenses** or **professional expenses** incurred after the consent had been refused, subject to the terms of this section.

If **you** do not comply with this condition **you** will not be covered and **we** will not make payment in respect of a **claim**.

Appeal procedure condition

If, following **legal proceedings** to which the **administrator** has consented, the **insured persons** wish to appeal against the judgment or decision of a court or tribunal, the grounds for the appeal must be submitted to the **administrator** through the **appointed representative** immediately or as soon as practical, so that the **administrator** may consider whether to consent to further action. If an appeal is lodged against a judgment or decision of a court or tribunal made in the **insured persons'** favour following **legal proceedings** where the **administrator** has consented, the **insured persons** must notify the **administrator** immediately in order that cover continues. The **administrator** will inform the **appointed representative** of its decision and the **insured persons** must co-operate in an appeal against the judgment or decision of a court or tribunal.

Disclosure condition

It is a condition of cover that

- 1 the **insured persons** must give the **appointed representative** and the **administrator** all necessary help and

information, including a complete and truthful account of the facts of the case and all relevant documentary or other evidence in the **insured persons'** possession. The **insured persons** must provide or obtain all documents as necessary and attend meetings or conferences as requested.

- 2 the **administrator** is entitled to receive from the **appointed representative** and the **insured persons** any information, document or advice in connection with any **claim** and the subject matter of any **claim** even if privileged. In addition, the **insured persons** must instruct the **appointed representative** to provide the **administrator** with regular updates on the progress of the subject matter of any **claim** and inform the **administrator** as soon as possible if and when any circumstance adversely impacts the factors taken into account in granting the **administrator's** consent. On request, the **insured persons** will give to the **appointed representative** any instructions necessary to secure the required access.

Indemnity may be withdrawn if the **insured persons** fail to co-operate at all times or within a reasonable time, with the **administrator's** or the **appointed representative's** requests. If **you** do not comply with this condition **you** will not be covered and **we** will not make any payment in respect of a **claim**.

Instruction and choice of appointed representative and Counsel condition

The **administrator** will choose an **appointed representative** to act on the **insured persons'** behalf in any **claim** under Employment dispute cover or Tax protection cover.

In all other **claims**, the **administrator** will choose the **appointed representative** subject to the **excess** unless there is a conflict of interest between the **insured person(s)** and the **administrator**, or once **legal proceedings** are issued, when **you** are free to choose an **appointed representative** to act in the name of and on behalf of the **insured person(s)** in any **claim** to which the **administrator** has consented. In **legal proceedings** where the **administrator** has consented to your choice of **appointed representative**, **you** are responsible for paying the first £1,000 of any one **claim**.

The name and address of the **appointed representative you** propose to instruct must be notified to the **administrator** in writing. The proposed **appointed representative** will enable the **insured person(s)** to comply with the terms and conditions of the policy and will be appointed to act for the **insured person(s)** in line with the **administrator's** standard conditions of appointment. Any professional expenses or legal expenses charged by the **insured person(s)** proposed **appointed representative** in excess that would normally be incurred in using a specialist panel solicitor will be the responsibility of the **insured person(s)**.

A dispute arising from **your** choice may be referred to arbitration in accordance with Arbitration condition.

The **insured person(s)** must not, without the written consent of the **administrator**, enter into any agreement with the **appointed representative** as to the basis of calculation of **legal expenses**.

In selecting the **appointed representative** the **insured person(s)** have a duty to minimise the cost of any **claim**.

In all cases the **appointed representative** will be appointed in the name of and on behalf of the **insured person(s)**.

If in the course of any **claim** the **appointed representative** wishes to instruct Counsel or an expert, their name and an explanation of the necessity for the instruction must be submitted to the **administrator** for consent to the proposed instruction, which will not be unreasonably withheld.

Notification of claims condition

You must notify the **administrator** in writing during the **period of insurance** as soon as the **insured persons** are aware of any cause, event or circumstance which has given or may give rise to a **claim**, dispute, **legal proceedings** or **HMRC investigation** involving the **insured persons**. Where notification has been given, **we** agree to treat any subsequent **claim** for the cause, event or circumstance notified as though the **claim** had been notified during the **period of insurance**.

If **you** need to notify a possible **claim**, **you** should complete the online claim form at <https://informationcentre.arclegal.co.uk>. Alternatively please call the AXA legal advice line and they will e-mail or post a claim form to **you**.

All notices and communications from **us** or **our** representatives to **you**, will be sent to **your** address that was last declared to the **administrator** or, in relation to any matters arising out of any **claim**, if sent to the **appointed representative**.

All notices and communications from the **insured persons** or the **appointed representative** to **us** will be sent to the **administrator**.

If **you** do not comply with this condition **you** will not be covered and **we** will not make any payment in respect of a **claim**.

Offer of settlement condition

The **insured persons** must inform the **administrator** in writing as soon as an offer to settle is received or the **insured persons** propose to make an offer of settlement. In any settlement, the **insured persons** must consider the **legal expenses, professional expenses or awards of compensation** incurred or likely to be incurred and their recovery.

No indemnity will be provided if the **insured persons** enter into any agreement to settle without the prior written consent of the **administrator** (consent not to be unreasonably withheld) and **we** will be entitled to recover any **legal expenses or professional expenses or awards of compensation** previously paid. If

the **insured persons** unreasonably reject an offer of settlement, which the **administrator** recommends acceptance of or makes an offer which the **administrator** does not agree with, no further indemnity will be provided.

We may at **our** absolute discretion decide to pay the **insured persons** the amount of damages that the **insured persons** are claiming or are being claimed against the **insured persons**, instead of indemnifying the **insured persons** for **legal expenses, professional expenses or awards of compensation**. Where **we** exercise this discretion **we** will cease to be liable for any further **legal expenses, professional expenses or awards of compensation**. **We** may also require the **insured persons** to make an offer to pay an **award of compensation** to an **employee** or ex-**employee** or prospective **employee** provided **we** agree to pay the **award of compensation**. If the **insured persons** fails to make the offer **we** will cease to be liable for any further **legal expenses or award of compensation**.

If **you** do not comply with this condition **you** will not be covered and **we** will not make any payment in respect of a **claim**.

Payment of legal expenses, professional expenses and awards of compensation condition

All bills for **legal expenses or professional expenses** which the **insured persons** receive from the **appointed representative** should be forwarded to the **administrator** without delay. If the **administrator** requests, the **insured persons** must ask the **appointed**

Legal expenses section *continued*

representative to submit the bill of costs for assessment or certification by the appropriate Law Society, court or tribunal. The **insured persons** are responsible for payment of all **legal expenses** or **professional expenses** or **awards of compensation**. **We** may settle these direct if requested to do so by the **insured persons**. The payment of some **legal expenses** or **professional expenses** does not imply that all **legal expenses** or **professional expenses** or **awards of compensation** will be paid.

Recovery of costs condition

Whenever the **insured persons** are awarded costs or under the terms of any settlement where costs are included, those costs are to be repaid to **us**. The **insured persons** and the **insured persons' appointed representative** must make every effort to make a full recovery of costs. Where a settlement purports to be a global or a without costs settlement or where costs are awarded but not recovered, the **insured persons** agree that a fair and reasonable proportion of that settlement will be deemed costs and due to **us**. Where such a settlement is paid in instalments all costs will be paid to **us** first.

Value Added Tax condition

If **you** are registered for VAT, **we** will not pay the VAT element of any **legal expenses** or **professional expenses**.
